Mrs. Knick,

I am finishing up my written project and had a few quick questions.

1. Will we need to use in-text citation to keep with MLA formatting?
2. You listed on my draft that I needed to add "# credits" to my table of DCC classes taken/transfer status to UVA. I was unable to find anything sounding like this. If you could clarify, it would be much appreciated.

Thanks,

You may use a few in text citations "as needed"; if do direct quote; most items can just be referenced.

As for credits desire a chart

DCC	VCCS credits	UVA Transfer	UVA credits
MTH 175	3	MTH ???	?

There is a VCCS course analyzer available at following link:

<http://saz-webdmz.eservices.virginia.edu/asequivs/Main1/GetEquivsGivenSchool?schoolDropDownList=Danville+Community+College>

Should above not work since filled in info specific to DCC; try following:

<http://www.admission.virginia.edu/search/node/transfer%20guide>

analyzer is 2nd one down on listing.

Hope this helps.
